

***6<sup>th</sup> IAFP's Latin American Symposium on Food Safety***

**September 25 - 27, 2018**  
**Buenos Aires, Argentina**

***Joe Schroeter***

NGS 2.0: the future of routine pathogen testing.

Joe Schroeter, Head of Global Sales,  
Clear Labs

A molecular biologist by training, Joe Schroeter currently serves as Head of Global Sales at Clear Labs.

Prior to Clear Labs, Joe led U.S. Food Safety sales for Thermo Fisher. Throughout his career, he has successfully built creative teams to address unmet challenges in molecular diagnostics and genetic analysis.

Joe is a graduate of Michigan State University, where he earned a BS in Biotechnology and Biochemistry and Molecular Biology.
